Dear Friends,

I suppose it is a good thing that I have nothing of serious consequence to report or comment on this weekend; I truly feel the lazy days of summer have arrived. Nevertheless, one of the most interesting thing to note is the number of sparkling new engagement rings that are turning up in Church these days. So much for Valentine's Day being the day to pop the question! Well, maybe that is when the romantic thought first took hold. At any rate, congratulations to all you young people who are planning your future life of love and commitment together and for also making room for the Gospel and Church in your life together.

As always, it is good to see all you young families with your "adorable little ones" in tow keeping us all aware of your presence by your sometimes louder singing and praying – where would we be without you?! You add so much to our celebrations!

As for us older, mellower and not-so-easily disturbed or distracted holy ones who have been around the block many times, seen that, been there, and can take on any challenge posed by the unexpected at any Mass, we delight in the life we share and hold dear here at St. Catherine of Siena.

Continue to have a great summer and **smile a lot; it does wonders for everyone.**

God bless,

Fr. Niall
