Dear Friends,

It is actually snowing ever so lightly as I am writing this note. It is, in fact, beneath freezing and will remain so for a day or two, a very rare occurrence here in Houston. In fact, that is what I tend to like most about the weather down here – winter does not exist, except for a couple of hours here and there or with the odd exception which we are now experiencing. I hope you all survived our rare snow visit, took the good advice to stay off the streets and did some house/office/school work that needed to be done yesterday!

We will be mailing out your contribution statement next week (the week of the 21st of January 2018) so you can get your tax statement done and have everything lined up for the beloved taxman/woman.

Thanks, as always, for your continuing generosity, not only for giving financially, but also for donating your time in so many ways for the building up of the parish community.

God bless,

*Answering God's Call*

### World Marriage Day is February 11, 2018

The theme for **WMD** has been permanently adopted as "Love One Another". This phrase is the commandment given us by Jesus in John 15:12. It speaks to us in a simple but challenging way of how our Father wishes us to live. Loving one another is a daily decision, simple but challenging. Make this day a time to celebrate the importance and need for loving and holy couples in our own life and that of our whole community.
